Cargo Contents:

Container Tare Weight:

Cargo Gross Weight:

TOTAL WEIGHT (VGM):

The duly authorised shippers' contact person (by name and signature provided in this statement) hereby certifies, that the above-mentioned shipment details have been carefully evaluated and according to requirements of the International Convention of the Safety of Life at Sea (SOLAS), as they have been published in Chapter VI, Part A, Regulation 2 – Cargo information.

This VGM statement contains the VGM amount per container. Amendments, updates and / or corrections to the verified weight have to be communicated and submitted to the responsible freight provider office immediately and without any delay.

We as the shipper understand and confirm that missing, incorrect and / or late VGM statements may result in no-acceptance of the shipment by the vessel operating carrier and a delay in the originally planned schedule.
